**MEMORANDUM FOR: Director of Operations**

**15 November 1955**

**THROUGH : Deputy Project Director**

**SUBJECT : Emergency Plan**

In the morning staff meeting on 10 November it was agreed as noted in paragraph 2. of the minutes that we would try at long last to set down our whole emergency plan in writing for circulation to all concerned. As I indicated in the discussion this requires only minor modification of the memorandum prepared in your office which I took out west with me on 31 October and which was also the basis of [ ] talk with the Deputy Inspector General, USAF, on 31 October. I would appreciate if you would set a date by which this task might be completed and the paper circulated to the appropriate parties.
